

# **ROAD ASSET MANAGEMENT FOR SUSTAINABLE DEVELOPMENT**

# PROGRAM

1<sup>st</sup> version

# AIM

Società Italiana Infrastrutture Viarie and the University of Messina are proud to announce they are jointly organizing the 16<sup>th</sup> International SIIV Summer School, to be held in September 10-14, 2018 in Messina.

SIIV is a scientific association including most of italian academics, researchers and scholars involved in the area of Roads, Railways and Airports Engineering.

SIIV Summer School is organized every year in September (first edition in 2003) and gathers PhD students, Postdoc fellows and young researchers (from Italy and abroad), providing them a platform for discussion, interactions and exchange of information.

This Summer School will be also the occasion to provide an official greeting to Prof. Antonino D'Andrea, Head of the Engineering Department of University of Messina, who will conclude his academic role on October 1st 2018. The 2018 Summer School Topic is Road Asset Management for Sustainable Development.

Roads are strategical assets for the economy of a country. However, in order to assure the highest levels of comfort and safety for users and preserve their values, it is essential to properly plan and organize the required maintenance activities. Moreover, in order to minimize treatment costs, vehicle operating costs and negative consequences on environment, the maintenance operations must be appropriately scheduled in the view of a reliable sustainable development. Then, numerous researchers focused on improving Pavement Management Systems and defining novel innovative protocols that may simplify surveying, monitoring, and decisional phases in maintenance planning. This school will present the main advances in the field and represent a useful occasion for discussing possible and innovative solutions for assuring sustainable development.

The session of Road Safety Management will be hosted by the Department of Civil Engineering and Architecture of the University of Catania, where prof. D'Andrea spent the first years of his academic role.

One of the Summer School sessions will host a special workshop with interesting contributions by institutional speakers and operators of the infrastructure field, for an operative analysis of the School topics.

Graduate students, scholars and faculty from Italian and foreign universities involved in the field of Transportation Infrastructure Engineering are welcome to attend. A certificate of attendance will be issued at the end of the course.

I hope you will attend this event and enjoy the 16th International SIIV Summer School!

#### Gaetano Bosurgi

Summer School Chairman

Società Italiana Infrastrutture Viarie and the Department of Engineering of University of Messina organize the 4<sup>th</sup> edition of the SIIV ARENA.

The SIIV ARENA is an occasion for idea sharing and comparison, in which PhD candidates and young researchers present specific and interesting topics in the fields "Roads, Railways and Airports" (SSD ICAR/04).

Since the proposed presentations is not limited to the topics discussed in this Summer School, the Scientific Committee will divide the participants' presentations into three homogeneous area: road maintenance - geometry and safety - controls and monitoring.

The Scientific Committee will then award three prizes taking into account the quality of the presentation, the impact of the research and the innovation of the proposed idea.

The deadline for SIIV ARENA partecipation (1 or 2 speakers for each University) is June 30th 2018. The research must be presented in English and its duration will be determined according to the number of speakers.

## **ORGANIZING COMMITTEE**

Prof. Gaetano Bosurgi - Università di Messina Prof. Orazio Pellegrino – Università di Messina Ing. Nicola Bongiorno - Università di Messina Ing. Federico Carbone - Università di Messina Ing. Giuseppina Pappalardo - Università di Catania Ing. Giuseppe Sollazzo - Università di Messina

### **INTERNATIONAL SCIENTIFIC COMMITTEE** Commitee Chairs

Prof. Gaetano Bosurgi - Università di Messina Prof. Salvatore Cafiso – Università di Catania

### **Members**

Prof. Orazio Pellegrino – Università di Messina Prof. Orazio Baglieri – Politecnico di Torino Prof. Andrea Benedetto – Università "Roma Tre" Prof. Francesco Canestrari – Università Politecnica delle Marche Prof. Clara Celauro – Università di Palermo Prof. Antonio D'Andrea – Università di Roma "La Sapienza" Prof. Gianluca Dell'Acqua – Università di Napoli Federico II Prof. Adelino Ferreira - University of Coimbra Prof. Tien F. Fwa – National University of Singapore Prof. Orazio Giuffrè – Università di Palermo Dr. Aliaksei Laureshyn –Lund University Prof. Giuseppe Loprencipe - Università di Roma "La Sapienza" Prof. Raffaele Mauro – Università di Trento Prof. Antonio Montepara – Università di Parma Prof. Marco Pasetto – Università di Padova Prof. Filippo M. Praticò – Università Mediterranea di Reggio Calabria Prof. Xiaoduan Sun - University of Louisiana at Lafayette Prof. Andrew Tarko - Purdue University Prof. Kelvin CP Wang - Oklahoma State University Prof. Xuesong Wang - Tongji University

# PATRONAGES AND SPONSORS

# PROGRAM

#### Session 1 - September 10th, 2018 (Monday) Villa Amalia

2.30- 3.00 pm Reception
3.30- 4.00 pm Registration
4.00 – 4.30 pm Welcome to 2018 SIIV Summer School
Prof. Salvatore Cuzzocrea, Rector University of Messina
Prof. Antonino D'Andrea Department of Engineering Director Geom.
Giuseppe Ricciardello, ANCE Sicilia President
Ing. Triolo Francesco, Ordine Ingegneri Messina President Prof.
Raffaele Mauro, SIIV President
4.30 – 4:45 pm Coffee break

September 10<sup>th</sup>, 2018 (Monday) Villa Amalia

#### SIIV Arena Presentations - IV Edition Chair: Prof. Raffaele Mauro

4.45 – 5.00 pm Introduction Prof. Raffaele Mauro 5.00 pm – 8.00 pm SIIV Arena Presentations 8.30 pm Dinner (for the attendees housed in Villa Amalia)

Session 2 - September 11<sup>th</sup>, 2018 (Tuesday) Villa Amalia Pavement Management System (monitoring)

Chair: Prof. Clara Celauro, University of Palermo

9.00 – 9.20 am Introduction Prof. Clara Celauro, University of Palermo
9.20 – 10.10 am Lecture #2.1 Prof. Andrea Benedetto, University of Roma Tre: Data fusion for infrastructure monitoring: sky, aerial, ground and underground sensors.
10.10 – 11.00 am Lecture #2.2 Prof. Kelvin CP Wang, Oklahoma State University: Automated distress survey through Artificial Intelligence and their potential impact on pavement data systems.
11.00 – 11.20 am Coffee break
11.20 – 12.10 am Lecture #2.3 Prof. Filippo G. Praticò, Mediterranea University of Reggio Calabria: A survey on PMSs: recent advances and new frontiers.
12.10 am – 1.00 pm Lecture #2.4 Prof. Giuseppe Loprencipe, University of Rome "La Sapienza": Pavement data analysis: a case study of a National road network for defining treatments and the budget assignment.
1.00 pm – 2.30 pm Lunch

# Session 2 - September 11th, 2018 (Tuesday) Department of Engineering

## Laboratories of the Department of Engineering

2.45 pm Transfer to University of Messina, Department of Engineering (for the attendees housed in Villa Amalia)

3.00 – 5.00 pm Technical tour in the Infrastructure Lab and CERISI Lab– University of Messina 5.00 pm Transfer to Villa Amalia (for the attendees housed in Villa Amalia) 8.30 pm Dinner (for the attendees housed in Villa Amalia)

#### Session 3 - September 12th, 2018 (Wednesday) Villa Amalia

#### **Pavement Management System (sustainability)** Chair: Prof. Marco Pasetto, University of Padova

9.00 – 9.20 am Introduction **Prof. Marco Pasetto**, University of Padova

9.20 – 10.10 am Lecture #3.1 **Prof. Orazio Baglieri**, Politecnico of Torino: Rubberized bituminous mixtures for sustainable road pavements.

10.10 – 11.00 am Lecture #3.2 **Prof. Tien F. Fwa**, National University of Singapore: Challenges in developing sustainable Pavement Management Systems.

11.00 – 11.20 am Coffee break

11.20 – 12.10 am Lecture #3.3 **Prof. Francesco Canestrari**, University Politecnica delle Marche: Warm Recycling of modified asphalt mixtures for motorway pavements:performance and environmental outcomes. 12.10 am – 1.00 pm Lecture #3.4 **Prof. Adelino Ferreira**, University of Coimbra: Road network maintenance optimization for sustainability.

1.30 - 2.30 pm Lunch

4.00 – 6.00 pm SIIV general meeting

6.00-6.30 pm SIIV Arena Awards ceremony

6.30 – 7.30 pm Greeting ceremony in honour of **Prof. Antonino D'Andrea**, University of Messina 8:30 pm Gala Dinner in honour of Prof. Antonino D'Andrea (reserved only for invited people)

8.30 pm Dinner (for the attendees housed in Villa Amalia)

#### Session 5 - September 13th, 2018 (Thursday) University of Catania

### Safety Management

#### Chair: Prof. Salvatore Cafiso, University of Catania

8.30 - 9.30 am Transfer to University of Catania (for the attendees housed in Villa Amalia)
10.00 - 10.20 am Introduction **Prof. Salvatore Cafiso**, University of Catania
10.20 - 11.10 am Lecture #5.1 **Prof. Xiaoduan Sun**, University of Louisiana: Development in Highway Safety Management program introduced by HSM.
11.10 - 11.30 am Coffee break
11.30 - 12.20 am Lecture #5.2 **Prof. Andrew Tarko**, Purdue University: Road Safety management in Indiana (USA).
12.20 am - 1.10 pm Lecture #5.3 **Prof. Xuesong Wang**, Tongji University: Road safety assessment and modeling in China.

### Session 6 - September 13<sup>th</sup>, 2018 (Thursday) University of Catania

### **Transport Infrastructure Laboratory at DIACr**

1.30 – 2.30 pm Lunch 2.30 – 3.30 pm Technical tour in the Infrastructure Lab – University of Catania

#### Session 6 - September 13th, 2018 (Thursday) University of Catania

## Safety Management

#### Chair: Prof. Orazio Giuffrè, University of Palermo

3.00 – 3.20 pm Introduction **Prof. Orazio Giuffrè**, University of Palermo

3.20 – 4.10 pm Lecture #6.1 **Dr. Alieskey Laureshyn**, Lund University: Road safety management for VRUs.

4.10 –5.00 pm Lecture #6.2 **Prof. Andrew Tarko**, Purdue University: Modeling of traffic conflict measures as surrogate of safety.

7.00 pm Transfer to Villa Amalia (for the attendees housed in Villa Amalia)

8.30 pm Dinner (for the attendees housed in Villa Amalia)

#### Session 7 - September 14<sup>th</sup>, 2018 (Friday) Villa Amalia

#### Tavola Rotonda "Asset Managment in road maintenance activities" Chair: Prof. Gaetano Bosurgi

10.30 – 11.00 am Lecture #7.1 prof. Ennio Cascetta – Presidente ANAS spa

11.00 – 11.30 am Lecture #7.2 Prof. Antonio Montepara, Università di Parma

11.30 – 11.45 am Coffee break

11.45 – 12.15 am Lecture #7.3 **ing. Ugo Di Bennardo**, Direttore Operation e Coordinamento Territoriale ANAS spa.

12.15 – 12.45 am Lecture #7.4 **prof. Gianluca Dell'Acqua**, Università di Napoli: La manutenzione stradale in ambiente BIM e le norme UNI 11337.

12.45 – 1.00 pm Closing ceremony **Prof. Raffaele Mauro**, University of Trento – Presidente SIIV. 1.00 – 3.00 pm Lunch
